CONTEXT

The terms 'Looked After Children' and 'Children in Care' are often used to define the same group of young people. In documents produced by Surrey's Virtual School the use of Children in Care (CiC) is the preferred term.

When a child or young person is taken into Care by a local authority under a Court Order, the key feature is a change in parental responsibility, which is then undertaken by the local authority – who become their 'Corporate Parent'. Young people can also be in Care under a voluntary arrangement with parents (a status known as Accommodated) where parental responsibility remains with birth parents, but this arrangement is monitored and supported by social services. Most children in care will be living in foster homes but some may be in a children's home, living with a relative or even be placed back at home with their birth parent(s). It is important the school attended by the child is aware of their Care status, as many children and families are supported by social care without the use of Care Orders. Foster carers will very rarely hold parental responsibility – this is assumed by the social worker. Children placed for adoption remain looked after by the local authority until the Final Order

A Personal Education Plan is required for every Child in Care and forms part of their overall Care Plan. The Care Plan should be in place within six weeks of entering care and thereafter reviewed at least every six months.

The Children Act (2004) places a duty to safeguard children in care, to promote their educational achievement and to ensure they are able to 'achieve to and reach their full potential'. The collective responsibility of local authorities and schools to achieve this are set out under six principles;

The role of a Virtual Headteacher for Children in Care is now statutory for every local authority. Virtual Headteachers will scrutinise, challenge and support schools with their teaching and learning for all children in care and assist each other in this task where children cross physical borders to live and attend education provision.
